FEL Motorsports announces blood drive on Wednesday, May 18

May 9, 2022

FEL Motorsports is preparing for its first blood drive with partner, Canadian Blood Services.

On Wednesday, May 18, 2022, FEL Motorsports is preparing a blood drive event at the Oshawa Canadian Blood Services location in advance of the first race weekend to kick off the 2022 Sports Car Championship Canada and Emzone Radical Cup Canada presented by Michelin. FEL Motorsports has set a goal of 200 pledges (units) for the 2022 season, and urges anyone who is able to stop in and donate between 10am and 2pm. Donors will be required to register and book an appointment online (see steps below).

There will be series cars parked and on display in the plaza parking lot for spectators to have a close-up and personal interaction with the cars and drivers. In addition, Canadian Tire Motorsport Park has donated fifteen pairs of general admission tickets for the Castrol Victoria Day Speedfest weekend (May 20-22, 2022) to be given out to the first fifteen donors of the day.

FEL Motorsports advises that any eligible donors can donate blood on behalf of the FEL Motorsports team to contribute to the 2022 pledge goal. To register as an FEL Motorsports donor, follow the steps below:

1. Set up an account on blood.ca or on the GiveBlood app for Apple or Android
2. Select "partners" from the menu
3. Select "join a team" and search FEL Motorsports – a drop down list will appear.
4. Select FEL Motorsports;
5. Book your next appointment either through your team bookings (visible under your team) or as an individual.

### About Canadian Blood Services

Canadian Blood Services is a not-for-profit charitable organization. Regulated by Health Canada as a biologics manufacturer and primarily funded by the provincial and territorial ministries of health, Canadian Blood Services operates with a national scope, infrastructure and governance that make it unique within Canadian healthcare. In the domain of blood, plasma and stem cells, we provide services for patients on behalf of all provincial and territorial governments except Quebec. The national transplant registry for interprovincial organ sharing and related programs reaches into all provinces and territories, as a biological lifeline for Canadians.
