Radical Cup Canada presented by Michelin to debut at 2023 Honda Indy Toronto

“Race-within-race” format with American series, Blue Marble Radical Cup North America

ST. CATHARINES, ON (February 16, 2023) – The Radical Cup Canada presented by Michelin adds a new stop to the schedule for next year. RCC teams and drivers will be headed to the Honda Indy Toronto on July 14-16 for a triple header weekend.

To add a twist to the weekend, FEL Motorsports has teamed up with the American Radical series, Blue Marble Radical Cup North America, to present a “race-within-race” where both series races will occur on track at the same time and yet only compete against the competitors from their own series.

“We are so thrilled to be able to add Honda Indy Toronto as a stop for the Radicals this year. We want to thank Tom Drewer, Global Motorsport Director of Radical Motorsports Ltd., for working with us to get the Radical Cup North America North of the border to put this together,” said Jessica Benevides, FEL Motorsports Manager. “We also want to thank Jeff Atkinson, President at Honda Indy Toronto, for the opportunity to put both the SCCC and RCC on the schedule at the 2023 Honda Indy.”

“This really shows Radical’s commitment to our large Canadian customer base, and obviously other successful premium make Cup series have done similar things in the past,” said Radical’s Global Motorsport Director, Tom Drewer. “With contingents from both North and South of the boarder, we’re expecting one of the biggest Radical grids ever assembled. I want to thank Chris Bye and the team at FEL Motorsports along with Honda Indy Toronto for working with us to make this happen.”
