Mayer Deonarine, a rising 15-year-old prodigy is set to make his FEL Motorsports debut at this weekend's Emzone Radical Cup Canada presented by Michelin event at Calabogie Motorsports Park, marking a significant milestone as he prepares to race in his home country of Canada

Toronto, ON – June 21, 2024 – Having spent the majority of his young but illustrious career competing in the highly competitive circuits of the United Kingdom and the United States, Mayer is eagerly anticipating the opportunity to showcase his talents on Canadian soil. This event signifies not only a homecoming but also a pivotal moment in his journey as a professional race car driver.

"I am incredibly excited to race in Canada," said Deonarine. "Competing internationally has been an amazing experience, but there's something special about racing in front of a home crowd. It's a dream come true to be able to bring my passion and skills back to where it all started."

Mayer also expressed his appreciation for the FEL Motorsports initiative, highlighting its role in providing invaluable opportunities for young and upcoming drivers who often face financial challenges. The Emzone RCC offers a one-time discounted entry fee of \$750 for first-time drivers in the series. The initiative offers drivers a chance to experience the difference in paddock environment and on-track competition that this Radical series has to offer. FEL Motorsports is designed to support and nurture the talents of aspiring Canadian racers, offering them a platform to compete and grow within a professional motorsports atmosphere.

"FEL Motorsports is fantastic for drivers like me," Mayer continued. "It's not easy to break into this sport, especially at a professional level, and FEL Motorsports is giving young talents a chance to prove themselves and gain exposure. I'm grateful for this opportunity and look forward to making the most of it."

Mayer Deonarine's participation in the FEL Motorsports Emzone Radical Cup Canada presented by Michelin underscores his dedication and passion for racing, as well as his commitment to overcoming the financial hurdles that many young drivers face.
