FEL Motorsports announces discounted entry fees for Gen 1 TCR cars

FEL Motorsports introduces a new initiative for teams to run Gen 1 TCR cars at a significantly discounted price

ST. CATHARINES, ON – November 4, 2024 – 2025 Sports Car Championship Canada presented by Michelin teams that run a current Gen TCR car for the full season, will receive a 50% discount for the entry of a first Gen TCR car. This program is designed to help current teams find and facilitate new drivers while increasing the grid size of the Sports Car Championship Canada presented by Michelin.

Eligible cars include the following models:

- Audi RS3 LMS DSG TCR (2016)
- Audi RS3 LMS SEQ TCR (2016)
- Honda Civic Type R FK7 TCR (2017)
- Hyundai i30 N TCR (2018)
- Hyundai Veloster N TCR (2019)
- Volkswagen Golf GTI DSG TCR (2017)
- Volkswagen Golf GTI SEQ TCR (2017)

"This is another step in our journey to drive Canadian motorsports forward by doing our best to support Canadian race teams and young aspiring Canadian drivers. We hope this initiative will help teams draw new talent into the series and put the many available Gen 1 cars to good use," said Chris Bye, president of FEL Motorsports. "Although these cars represent a previous generation, in the right hands they have proven to be competitive, as demonstrated by Richard Boake and Blanchet Motorsports at this year's Ontario Honda Dealers Indy Toronto where they finished P1 and P2 in a Gen 1 Audi RS3 LMS TCR," he concluded.

2025 entry fees and schedule will be released in the coming days.

About FEL Motorsports

FEL Motorsports grew out of a deep base of automotive roots from FEL Automotive Learning and Promotion. FEL, the parent company of FEL Motorsports, has over three decades of experience in the automotive event industry working within Canada and the U.S by combining the expertise gained from working with luxury automotive brands with some of Canada's most experienced motorsport personnel, FEL Motorsports executes premium race event weekends at tracks in Canada. FEL Motorsports is focused on growth and sustainability in the Canadian Motorsports landscape by giving back to its teams through prize money and prize money.
