Megan Leahy returns to Sports Car Championship Canada presented by Michelin for 2025

Leahy to pair with Valérie Limoges in two-car MD Autosport Hyundai Veloster Turbo TCA lineup

ST. CATHARINES, ON (March 19, 2025) — FEL Motorsports is excited to announce Megan Leahy's return to the TCA class for the 2025 season. Megan drove the FEL Motorsports-sponsored Hyundai Veloster Turbo at the Grand Prix de Trois-Rivières and Canadian Tire Motorsport Park's Labour Day Sprints in 2024, earning a total of 114 points. This year, Megan will be behind the wheel of the same car for the full five-weekend, 10-race season, giving her the opportunity to fight for the TCA class championship.

Professional motorsports continue to suffer from a lack of female representation, with barriers including limited access to resources and mentorship, and the perpetuation of stereotypes and biases for competitors and fans. With this in mind, FEL Motorsports is proud to provide Megan with the opportunity to race and further progress her career in Canada and beyond.

Again in 2025, Mathieu Deschamps of MD Autosport will prepare the Hyundai Veloster Turbo TCA for Megan at each event. Mathieu also works with Ford Multimatic Motorsports in the IMSA WeatherTech SportsCar Championship and brings a wealth of knowledge and experience to this program.

FEL Motorsports is extremely grateful for the support of Michelin Motorsport as one of the key partners fueling this exciting new program.
