ST. CATHARINES, ON (November 6, 2025) — FEL Motorsports is proud to announce that the Radical Cup Canada (RCC) presented by Michelin will once again compete as part of the Ontario Honda Dealers Indy weekend, marking the debut of the new Ontario Honda Dealers Indy at Markham — a fresh era for one of Ontario's most celebrated racing festivals.

Since 2022, the Ontario Honda Dealers Indy has been a cornerstone event on the FEL Motorsports calendar. The RCC presented by Michelin made its series debut at the Toronto edition in 2023 and has become a highlight of the championship ever since. For 2026, the event transitions from downtown Toronto's Exhibition Place to a brand-new home in Markham, Ontario — marking the first time the series and the Indy festival will take to this exciting new venue.

The newly developed Markham street circuit is set to deliver an engaging and accessible racing experience for fans and competitors alike. The 3.52-kilometre, 12-turn layout will wind through Markham's downtown district, offering modern spectator facilities, public transit access via Unionville GO Station, and a festival atmosphere expected to draw tens of thousands of fans across the weekend.

"The Ontario Honda Dealers Indy has always been one of the most anticipated events on our schedule," said Chris Bye, President of FEL Motorsports. "Moving to Markham represents a bold and exciting step forward for Canadian motorsport. Our drivers, teams and partners have embraced the spirit of this event since we first joined in 2022, and we're thrilled to bring the Radical Cup Canada presented by Michelin to the inaugural Ontario Honda Dealers Indy at Markham weekend. It's the start of a new chapter that we're proud to be part of."

"We look forward to having the Radical Cup Canada presented by Michelin return to the Ontario Honda Dealers Indy - this time at our new home on the streets of Markham, Ontario!" said Jeff Atkinson, President of the Ontario Honda Dealers Indy at Markham. "Chris (Bye) and his team at FEL Motorsports are passionate about growing auto racing in Canada. It was important to us to have this ultra-competitive racing series return for this iconic Canadian event as we build a new tradition for the fans and competitors in Markham."

The RCC presented by Michelin continues to build momentum as Canada's premier single-make championship, showcasing the lightweight, high-downforce Radical SR3 platform in a competitive national series. Its inclusion on the Ontario Honda Dealers Indy at Markham schedule underscores FEL Motorsports' commitment to delivering premium racing experiences and supporting growth within the Canadian motorsport community.

Fans can catch the Radical Cup Canada presented by Michelin in action alongside the NTT INDYCAR SERIES during the Ontario Honda Dealers Indy at Markham weekend — an event that promises to combine high-speed competition with family-friendly excitement and innovative fan engagement throughout the city.
